How to stop accidentally taking iPhone X screenshots.

January 27, 2019

The iPhone X is a marvel of engineering and design to be sure... but one particular feature doesn't seem too well thought out. Because this year's iP...

Help keep your smartphone safe from falls, scratches, falls and damage with this slim, tight-fitting case. Our extraordinary mobile phone case feature a flexible TPU coating that reliably protects your phone and makes it easy to slip into jeans pockets and other comfortable spots. A pattern of small, almost invisible dots on the inside of the sleeves prevents irregular sticking to the phone and helps ensure a smooth appearance. The raised edge around the case provides additional protection for the display and front camera when the phone is face down.

Our sleeves are tested in independent labs to ensure they withstand the wear and tear that real life can cause them. The phone sleeves come in different colors to choose from, in black for a sleek look or transparent to preserve the phone's original appearance.
